How to play?

Welcome to the ultimate collecting challenge! Your goal is simple: move the barrel left and right to catch the right items while avoiding the wrong ones. Each level gets harder as more fake items drop and the speed increases!

Main Gameplay 🏆

- Move the barrel left and right to collect the correct items.
- Avoid the wrong items—catching them will cost you points!
- As you progress, more wrong items appear, and everything falls faster!
- Complete levels to earn coins and unlock new characters!

Bonus Level 💰

- Every few levels, you'll enter a 15-second Bonus Round!
- During this time, only coins fall—catch as many as you can!
- Use your collected coins to unlock new skins for your character!

Are you ready to test your reflexes and collect all the rewards? Start playing now!
